Please provide a brief summary for each of the five report areas below.

Please provide links to, or files of major work that has been finished such as new policies, supplemental reports, or data used (such as surveys) in the accomplishment of your plans.

Summary of Progress Completed Since Last Report:

The Enrollment Management Task Force has recommended a structure for an enrollment management committee. I have held that recommendation until the new Vice President for Enrollment Management and Student Affairs can review it. The task force promises an enrollment management plan early in spring semester.

List of Key Milestones Achieved Since Last Report:

Are there aspects of the Cabinet's recommendation (above) that remain unaddressed in your work? If so, please explain.
